Emin Tavakkulov

AI Engineer | Software Developer

e1000.tavakkulov@gmail.com
+994 77 597 5319
Akim Abbasov 1c, Baku, Azerbaijan

TECHNICAL SKILLS

LANGUAGES

Python · JavaScript · PHP · Java · C/C++

DATABASES

PL/SQL · SQL / MySQL · PostgreSQL · SQLite

FRAMEWORKS

Node.js · React · React Native · Flutter · Vue · Laravel · Spring

WEB & TOOLS

REST API · Git / Jira · HTML5 / CSS3 / Bootstrap

AI ENGINEERING & LLM

- AI & Machine Learning fundamentals
- Generative AI & LLMs
- Tokenization & embeddings
- Prompt engineering
- RAG & semantic search
- Vector databases
- LLM APIs
- Python AI applications
- AI agents & agentic workflows
- Function calling & tool use
- Fine-tuning & model customization
- LLM evaluation & performance
- AI security, privacy & Responsible AI
- Deployment & production
- Business-focused AI solutions

LANGUAGES

Azerbaijani	Native
English	Advanced
Russian	Basic

PROFESSIONAL PROFILE

> Software Engineer with practical full-stack and backend experience, now focused on AI Engineering, Machine Learning, Generative AI and LLM-based applications. Knowledge includes tokenization, embeddings, vector databases, RAG, semantic search, LLM APIs, prompt engineering, AI agents, function calling, fine-tuning, evaluation, security and production deployment. PhD researcher in Information-measurement and management systems, interested in applying AI to real business problems.

WORK EXPERIENCE

PHP Developer
Oct 2026 – Present

Devirlon Technology · Baku, Azerbaijan

Full-Stack Developer
2024 – 2026

ALFA INVENTION · Remote

- Built web and mobile applications with React, Flutter, Node.js and PostgreSQL for job-search and medical-support startups.
- Developed REST APIs with authentication, profile management and social-network features.
- Deployed and tested backend services on Render for an environment prepared for approximately 300 test users.
- Worked across programming languages, frameworks and databases to deliver practical software solutions.

Back-end Developer
Apr 2021 – Sep 2022

FANFI.MMC · Baku, Azerbaijan

- Developed backend software using several programming languages and CMS technologies.

IT Intern
Jun 2019 – Sep 2019

Central Bank of the Republic of Azerbaijan · Baku, Azerbaijan

- Gained practical programming experience in the IT department and worked with several programming languages and frameworks.

EDUCATION

PhD Degree
Oct 2025 – Present

Azerbaijan State Oil and Industry University · Baku, Azerbaijan

- Faculty of Information Technology and Management
- Specialty: Information-measurement and management systems (by sector)
- Expected graduation: 2028

Master Degree (Graduated with Honours)
Sep 2017 – Jun 2019

Azerbaijan State Oil and Industry University · Baku, Azerbaijan

- Faculty of Information Technology and Management
- Specialty: Biomedical Technology Engineering
- Graduated with Honours (2019)

Bachelor Degree
Sep 2013 – Jul 2017

Azerbaijan State Oil and Industry University · Baku, Azerbaijan

- Faculty of Information Technology and Management
- Specialty: Biomedical Technology Engineering
